

QUALITY POLICY

Caringa Enterprises Ltd. offers employment, training, residential support options, respite, day programs and social support options to people with a disability and supplies manufactured products and services to commercial customers through our Australian Disability Enterprises.

We endeavour to provide high quality products and services which meet or exceed our customers' requirements at a professional level within our community.

Our employees shall comply with the requirements of our Quality Management System (QMS) which we have developed based on the requirements of ISO 9001:2015.

We maintain this high quality and strive to continually improve our products, services and systems through comprehensive employee induction, regular communication with all interested parties, and the planned annual review of our QMS policies, procedures and objectives.
